Summary of Legislation: This bill replaces the Indiana Trademark Act with the Model State Trademark Act. The bill repeals superseded references to and transitional provisions concerning the Indiana Trademark Act.

Effective Date: July 1, 2004.

Explanation of State Expenditures: *Secretary of State's Office:* This bill makes several changes to the manner in which the Secretary's office administers trademark protections. Any change in the administrative costs of the Secretary's office are expected to be absorbed using existing staff and resources.

Explanation of State Revenues: The bill gives the Secretary's office the discretion to set rules to prescribe the trademark application, recording, and related fees. Trademark fee revenue is deposited in the state General Fund. Under current law, the fee to register a trademark for a ten-year period is \$10. This bill shortens the registration period to five years. The bill also eliminates the statutory amount of the fee at \$10, and instead allows the Secretary of State to adopt rules to prescribe the fees.
